**Cape Cod Doormats of Distinction**

 The Finest Doormat in the World

**Dealer Programs**

Cape Cod Doormat has a number of dealer programs and starter programs that can be customized to meet any small, medium, mid size or large retail requirement. All of our dealers experience excellent local customer service combined with the benefits of an excellent dealer program that starts with a modest investment depending on the size and requirements of the original order. Our dealers can expect returns on their original investment between 45% – 75%. The small footprint requirement for our display rack is 27”Dx34”W. Our dealers enjoy generating high returns with excellent customer service selling products that are made and distributed in the USA with the backing of the Better Business Bureau. Each one of our dealer programs are designed to reward our dealers with high returns for volume purchases.

This means our dealers have the benefit of selling quality products with high returns.
